

CABLE MANAGEMENT

CABLE TRAYS

The Lavoro range of cable trays and baskets is designed to keep the working area tidy and clutter free.

ADVANCE CABLE TRAY

This can be fitted directly to the frame of the Advance, Zero, Cromo, Forge, Mini and Duo or top fixed to all other desk ranges. Telescopically adjustable in length, this Cable Tray is manufactured from heavy gauge steel and is hinged to enable easy access to wiring and sockets. Optional End caps are available to ensure a neat finish when the desk is placed at the end of a run.

CABLE MANAGEMENT

PORTS & CLIPS

Cable Ports are a great option to manage cable routing and access through the desktop. Specified to the client's needs, these can be situated in any position within the desktop and are CNC drilled in our factory, allowing a truly bespoke offering, well suited in conjunction with our range of Cable Management Trays.

Cable Tidy Ports are designed to fit into the industry standard 80mm diameter port holes and are manufactured in ABS for durability, with a sliding cover to enhance appearance.

Cable Clips are an excellent way of keeping excess wiring tidy. Easily fitted to the underside of the desktop of frame with adhesive pads, they are of large capacity to enable neat cable routing.
