PREMIUM STOCK DESKTOPS

FENIX®

The latest in work surface innovation. Fenix® NTM high-tech laminate is a smart material with anti-fingerprint and thermal healing of superficial micro-scratches. Combine this with the aesthetically pleasing soft-touch matt finish and you get visually comforting desktop with very low light reflectivity.

Built on a 25mm MDF core structure with laser applied ABS edging for a precision finish.

Available from stock in 3 colours; Bianco Kos, Grigio Antrim and Nero Ingo. Other colours in the Fenix® range are available to order.

PREMIUM STOCK DESKTOPS

RECLAIMED SCAFFOLD BOARD

The unique vintage look. Using Reclaimed Scaffold Board planks, these timber tops are expertly finished to give a truly authentic look. Featuring natural knots with wear and tear marks, each top is planed and sanded to give a smooth-to-touch surface with a matt lacquer finish whilst preserving unique features.

Solid 33mm (+/-) thickness with natural finished edges. Inset metal batons on the underside of the desktop give structural strength to the natural planked wood.
